Rotana is an Associate in our firm focusing on litigation and corporate matters. Rotana advises Saudi clients on disputes, general corporate matters, labour, employment matters, and contracts.

#### **Representative Matters**

- Advising the clients on shareholders conflicts, employment cases and other commercial disputes.
- Providing legal advisory support in relation to commercial and service contracts, including drafting, reviewing, and ensuring compliance with relevant regulatory requirements.
- Advising on company incorporation processes, including regulatory compliance, documentation, and coordination with relevant authorities.
- Assisting in legal inquiries across corporate, commercial, and operational matters, providing practical and business-oriented legal support.
- Supporting day-to-day legal operations of the firm by reviewing agreements, preparing legal memoranda, and conducting legal research.
